a little history...

Sonny's Pizza & Pasta is a successfully owned and operated family Italian restaurant. Founder Sonny Genovese opened the restaurant in 1980 and it has been thriving ever since and is now labeled an icon in San Clemente, CA.

Sonny Genovese's great grandmother was a cook for the first King of the United Countries of Italy, Victor Emanuel the Second. The recipes were passed down from generations and landed in the United States of America where Jenny and Ernest Genovese, Sonny's Parents, opened their first restaurant on Hollywood BLVD in 1947. All of their children worked in the restaurant, after 25 years at that location they decided to move to San Clemente where they had always vacationed. So along with their children they opened Ernesto's Italian Villa where they served family specialties for over 20 years.

Soon after, their children decided to venture out on their own and Sonny opened his now famous Sonny's Pizza & Pasta where he and his daughter Julie have been serving his family's authentic Italian food for over 30 years.

In 1987, Sonny's nephew Jay opened up PASTA JAY'S in Boulder, Colorado at 9th and Pearl. Other than the name, Pasta Jay's is an exact replica of Sonny's Pizza & Pasta. Generations later Jay owns 3 Pasta Jay's locations; one in Moab, Utah and two in Colorado. More proof that the families secret recipes and systems are the key ingredients to this successful business.

Ask anyone in San Clemente, CA where to go for great Italian food, and they'll tell you Sonny's Pizza & Pasta. Known simply as Sonny's, our charming and quaint restaurant is the local hot spot. Sonny's is located on El Camino Real, the main thoroughfare of the Spanish Village By The Sea. Most nights, as you drive by, you'll see a crowd forming in the front of the restaurant. There is usually a short wait, but people don't seem to mind. It's a great place to socialize on the outdoor waiting patio and enjoy a cold beer or a nice glass of wine.

Sonny is a true hands-on owner. Every morning, he comes in early to prepare the sauces, the original recipes. Sonny's is a family run restaurant, with Sonny in the kitchen, and his daughter Julie running the front of the house. Julie speaks with pride of her father's hard work. She attributes the restaurant's success to her father's commitment to being there seven days a week to cook and make sure things run right.

This sense of family pride transfers to the employees. The entire staff offers quick, professional service. The authentic Italian food is served with a touch of Southern California as you can dine on an open-air patio, served by the beautiful Sonny's Girls.
